

**AMERICAN COUNCIL FOR  
CONSTRUCTION EDUCATION**  
PARTNERSHIP FOR EXCELLENCE

## Association Membership Application

A construction industry-related professional association, society, institute, or foundation can influence the educational experience of future construction leaders by becoming an Association Member of the ACCE. Association Members are able to influence the educational experience of future construction leaders through their representatives' participation with ACCE and to network with other industry members and academic leaders to promote quality construction education.

- Association Member representatives may participate as members of the Educator or Industry Caucus and may be appointed to ACCE committees.
- Logos for Association Members will be prominently displayed on ACCE website. Also, a display table at each of the ACCE Annual and Midyear Meetings will be provided for the Association Member.

Annual fee for Association Membership level is \$3,000 per year, which includes registration for one representative at both Annual and Midyear meetings.

**Believing in the goals and objectives of the American Council for Construction Education, we apply to become an Association Member.**
